1. Once this agreement is accepted by VA, it will be considered an open-ended agreement that is in effect for the entire upcoming academic year and all future academic years unless VA or the institution notifies the other party that changes are requested during the annual open season enrollment period, March 15th - May 15th (or the following Monday if May 15th falls on a Saturday or Sunday). Withdrawal or modifications to the terms shall be indicated in Agreement Type above. Modifications made during the open enrollment period will go into effect for the subsequent academic year and will be posted to our website at www.gibill.va.gov when the open enrollment period ends. Please see Page 5 of this form for information about how to submit the completed form.
2. The IHL agrees to provide contributions to eligible individuals who apply for such program at the institution (in a manner prescribed by the institution) on a first-come-first-served basis. Funds for Yellow Ribbon contributions may derive from any source of institutional funding that is not already allocated or awarded for a non-Yellow Ribbon purpose. Student ledgers must denote contributions as "Yellow Ribbon." Yellow Ribbon funds cannot be denoted as any type of grant, scholarship or other fund sources that would be applied to the student's account regardless of Yellow Ribbon program participation.
3. The IHL agrees to provide contributions on behalf of a participating individual during the current academic year and all subsequent academic years in which the IHL participates in the Yellow Ribbon Program, provided that the individual maintains satisfactory progress, conduct, and attendance according to the regularly prescribed standards of the institution.
4. The IHL agrees to provide the maximum amount of contributions payable toward the net cost for each participating individual during each term, quarter, or semester the individual is enrolled if the IHL's total contribution toward the individual's net cost for the term, quarter, or semester does not exceed the maximum dollar amount payable during the academic year as specified in paragraph 6 of this agreement.
5. The IHL agrees to provide Yellow Ribbon Program contributions for up to _____ eligible individuals during the _____ academic year and all subsequent academic years unless VA is notified of changes during any subsequent open-enrollment period.

7. An IHL with multiple campuses that wishes to submit a single Yellow Ribbon Program agreement covering more than one campus agrees to submit a listing of all campuses covered under this agreement as an addendum to this agreement. The listing must include the name, address, and facility code of each campus. The IHL further certifies that all campuses covered under this agreement are subject to the authority of the authorizing official signing the agreement, and each campus has a certifying official or other employee who meets the requirements of section 21.4266(f)(3)(ii) of title 38, Code of Federal Regulations, and has access to the terms of this agreement.

8. This agreement is entered into under the authority of section 3317 of title 38, United States Code (as added by section 5003 of Public Law 110-252, effective August 1, 2009) and section 21.9700 of title 38, Code of Federal Regulations. The terms of this agreement will be effective for the entire academic year beginning on the first day of August following the date of acceptance by a duly authorized officer of VA, and all subsequent academic years unless VA is notified of changes during any subsequent open enrollment period.

9. The terms of this agreement will be available for public viewing on VA's GI Bill website at www.gibill.va.gov.

10. Completed agreements (with the original signature of an official legally authorized to bind the IHL to this agreement) must be received by VA no later than May 15th (or the following Monday if May 15th falls on a weekend). Late agreements will not be accepted. The agreement, once accepted by VA, will be considered an open-ended agreement. See Page 1 for information pertaining to modification of terms.

11. The IHL certifies that at least 1 of its VA-approved programs has tuition and/or fees that exceed the maximum rates payable by the Post-9/11 GI Bill at the time this document is being submitted.

12. The IHL is strongly encouraged to adhere to the Principles of Excellence established by Executive Order 13607, provided as an attachment to this document. The Principles of Excellence help ensure that Veterans, spouses, and other family members have the information, support, and protections they deserve while pursuing their educational or vocational goals. If your institution is currently in compliance with the Principles of Excellence, or if the institution intends to be in compliance with the Principles of Excellence, while participating in the Yellow Ribbon Program, please check the box below. Adhering to the Principles of Excellence is not a condition of approval for participation in the Yellow Ribbon Program. However, VA intends to publish on its GI Bill website a list of those Yellow Ribbon schools that agree to comply with the Principles of Excellence.

This institution agrees to comply with the Principles of Excellence while participating in the Yellow Ribbon Program.

PRINCIPLES OF EXCELLENCE FOR EDUCATIONAL INSTITUTIONS

Institutions adhering to the principles of excellence agree to -

(a) prior to enrollment, provide prospective students who are eligible to receive Federal military and veterans educational benefits with a personalized and standardized form, as developed in a manner set forth by the Secretary of Education, working with the Secretaries of Defense and Veterans Affairs, to help those prospective students understand the total cost of the educational program, including tuition and fees; the amount of that cost that will be covered by Federal educational benefits; the type and amount of financial aid they may qualify for; their estimated student loan debt upon graduation; information about student outcomes; and other information to facilitate comparison of aid packages offered by different educational institutions;

(b) inform students who are eligible to receive Federal military and veterans educational benefits of the availability of Federal financial aid and have in place policies to alert those students of their potential eligibility for that aid before packaging or arranging private student loans or alternative financing programs;

(c) end fraudulent and unduly aggressive recruiting techniques on and off military installations, as well as misrepresentation, payment of incentive compensation, and failure to meet State authorization requirements, consistent with the regulations issued by the Department of Education (34 C.F.R. 668.71-668.75, 668.14, and 600.9);

(d) obtain the approval of the institution's accrediting agency for new course or program offerings before enrolling students in such courses or programs, provided that such approval is appropriate under the substantive change requirements of the accrediting agency;

(e) allow service members and reservists to be readmitted to a program if they are temporarily unable to attend class or have to suspend their studies due to service requirements, and take additional steps to accommodate short absences due to service obligations, provided that satisfactory academic progress is being made by the service members and reservists prior to suspending their studies;

(f) agree to an institutional refund policy that is aligned with the refund of unearned student aid rules applicable to Federal student aid provided through the Department of Education under Title IV of the Higher Education Act of 1965, as required under section 484B of that Act when students withdraw prior to course completion;

(g) provide educational plans for all individuals using Federal military and veterans educational benefits that detail how they will fulfill all the requirements necessary to graduate and the expected timeline of completion; and

(h) designate a point of contact for academic and financial advising (including access to disability counseling) to assist service member and veteran students and their families with the successful completion of their studies and with their job searches.
